

"PART 3.

"EFFECT OF LEASE CONTRACT.

" § 25-2A-301. Enforceability of lease contract.

Except as otherwise provided in this Article, a lease contract is effective and enforceable according to its terms between the parties, against purchasers of the goods, and against creditors of the parties.

" § 25-2A-302. Title to and possession of goods.

Except as otherwise provided in this Article, each provision of this Article applies whether the lessor or a third party has title to the goods, and whether the lessor, the lessee, or a third party has possession of the goods, notwithstanding any statute or rule of law that possession or the absence of possession is fraudulent.

" § 25-2A-303. Alienability of party's interest under lease contract or of lessor's residual interest in goods; delegation of performance; transfer of rights.

(1) As used in this section, 'creation of a security interest' includes the sale of a lease contract that is subject to Article 9 of this Chapter, Secured Transactions, by reason of G.S. 25-9-102(1)(b).

(2) Except as provided in subsections (3) and (4) of this section, a provision in a lease agreement which (i) prohibits the voluntary or involuntary transfer, including a transfer by sale, sublease, creation, or enforcement of a security interest, or attachment, levy, or other judicial process, of an interest of a party under the lease contract or of the lessor's residual interest in the goods; or (ii) makes such a transfer an event of default, gives rise to the rights and remedies provided in subsection (5) of this section, but a transfer that is prohibited or is an event of default under the lease agreement is otherwise effective.

(3) A provision in a lease agreement which (i) prohibits the creation or enforcement of a security interest in an interest of a party under the lease contract or in the lessor's residual interest in the goods, or (ii) makes such a transfer an event of default, is not enforceable unless, and then only to the extent that, there is an actual transfer by the lessee of the lessee's right of possession or use of the goods in violation of the provision or an actual delegation of a material performance of either party to the lease contract in violation of the provision. Neither the granting nor the enforcement of a security interest in (i) the lessor's interest under the lease contract or (ii) the lessor's residual interest in the goods is a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the lessee within the purview of subsection (5) of this section unless, and then only to the extent that, there is an actual delegation of a material performance of the lessor.
